FOR IMMEDIATE RELEASE

Tokyo, November 9, 2026

Update on JT Group's Business in Russia

1. Status of JT Group's Entities in Russia

In addition to the four manufacturing entities referred to in JT Group's November 6 announcement "Regarding the JT Group's Business in Russia" *, three more entities have been placed under temporary administration pursuant to a Russian Presidential Decree dated November 6. As a result, all of JT Group's entities in Russia have now been placed under temporary administration. The Russian business continues to operate at present.

Presidential Decree dated November 5:

Petro LLC, JTI Donskoy Tabak LLC, JTI Yelets LLC, Cres Neva LLC

Presidential Decree dated November 6:

JTI Russia LLC, JTI Innovative Products LLC and one dormant entity

2. Financial Information on JT Group's Russian Business

The following financial information is provided for reference to illustrate the scale of the JT Group's business in Russia.

Under JT Group's revised FY2026 forecast announced alongside its third-quarter results, the Russian market accounts for approximately 10% of JT Group's consolidated reported revenue and approximately 25% of its adjusted operating profit.

As of September 30, 2026, assets (including goodwill) and liabilities relating to the Russian business in JT Group's consolidated financial statements amounted to approximately JPY 1,500 billion (including approximately JPY 360 billion in cash and deposits) and approximately JPY 200 billion, respectively. All of the above amounts are approximate figures.

As the impact of the temporary administration on its Russian operations remains under review, the JT Group continues to assess the potential impact on its financial results.

The JT Group continues to monitor the situation in Russia and gather information, while evaluating the available options and potential implications. Any matter requiring disclosure will be disclosed promptly.

###

Japan Tobacco Inc. (JT) is a global company headquartered in Tokyo, Japan. It is listed on the primary section of the Tokyo Stock Exchange (ticker: 2914.T). JT Group has approximately 53,000 employees and 61 factories worldwide, operating in two business segments: tobacco and processed food. Within the tobacco business, the largest segment, products are sold in over 130 markets and its flagship brands include Winston, Camel, MEVIUS, and LD. The Group is committed to investing in Reduced-Risk Products and markets its Heated Products under its Ploom brand.

Consumers, shareholders, employees, and society are the four stakeholder groups (4S) at the heart of all of JT Group's activities. Inspired by its purpose, "Fulfilling Moments, Enriching Life", the Group aims to ensure sustainable and valuable contributions to its stakeholders over the long term. In addition to its two business segments, this goal is also supported by D-LAB, JT Group's corporate R&D initiative, dedicated to exploring and developing new value-added business opportunities.
